I want to thank everyone who has helped me put together
My 8th Great Grandfather Joseph Billiter 1640 Eng- 1787 MD
and his wife Elizabeth Fuller Aft 1650-abt 1710 and generations
down from them. My direct line is from Edward 1 and Ann
Summely.

This has been an on going project since 1969 to 2016
and even at that there is much more that can be done
but since I have hit my 80 year mark I am going to let
the younger ones to finish out the generations if anyone
would like to work on this family.

At least this will be a start for anyone that descends from
this line if they so desire.

I have included a pedigree chart showing the lines both back
from me to the beginning. Which you will see the lines change
after 8 generations into other names.

As I have listed all the generations on the first book of Billiter
line so hope you can follow the other books from beginning to
end.

You will also notice some sheets have my old address on them
but I always put the first family with my latest address as I didn't
want to have to reprint all the paper work that I hadn't changed.

Notes

HUSBAND - Joseph B. Billiter

Some Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 5 by Henry C. Peden Jr and F. Edward Wright.

BIRTH: Joseph listed as born Mannedorf,Canton,Zurich or ENGLAND so not sure. Most say England.

MARRIAGE: Talbot Co MD records Vol 1-2 compiled by R. Bernice Leonard states marriage.

"Jun 1674 Elizabeth Fuller md to Josephy Billeter"

Their children and birth dates are listed in the Third Haven records.

His wife was said to be Elizabeth Fuller. There is an Edward Fuller family that came over on the Mayflower and have quite a lot on that family but none married a Billiter so at a loss at this time as to who his wife belongs to.

pg 16-17-18: Said Joseph transported into the province in 1671.

Maryland State Archives, Land Patents, Liber 17, Folio 74.

20 Aug 1679 "Robert Farington ---proved then five rights due for Importing Himself Ann his wife Jane his daughter and Joseph Billiter and Philip Sutton his servants into this Province to inhabit in May 1671."

He md Elizabeth and had children: Joseph, Elizabeth, Thomas, Edward & Grace.

Transported usally meant someone paid for his passage here and sometimes listed as servant, meaning he had contracted to repay the cost of the transportation by agreeing to act as a servant for a period of years. Don't know that was the case with Joseph Billiter.

Some of the below info came from Jim Billiter and other researchers on "Old Joe" as Jim refers to him. He has the info on the internet as well as our Joseph and Sarah Seward Billiter and his family.

On 21/8/1687 The Third Haven Meeting of Talbot Co.,MD showed concern for Widow Billiter. (was it this wife they were referring to, if so Joseph would have died by 1687).

It appears the early Billiters were Quakers, either in England or followed Fox's missionary campaign along the east coast just after Joseph Billiter came here in 1671 attested to by their participation in Third Haven Meeting, Talbot Co. MD in the late 1600's.

It is interesting about Bell-founding as in Middle English etymology seems to confirm that "Billiter" is derived from the occupation, Bell-founder, or Bellyeter. William le Belyotar is mentioned somewhere in English records in 1247, as is Robert le Bellegeter in 1283, among the first mentions of the name in England older then of the Swiss by more then a century. As also been stated Billiter came from Mannedorf,Canton Zurich, Switzerland.

HUSBAND - Joseph B. BILLITER-2331 (Continued)

It is interesting about Bell-founding as in Middle English etymology seems to confirm that "Billiter" is derived from the occupation, Bell-founder, or Bellyeter. William le Belyotar is mentioned somewhere in English records in 1247, as is Robert le Bellegeter in 1283, among the first mentions of the name in England older then of the Swiss by more then a century. As also been stated Billiter came from Mannedorf, Canton Zurich, Switzerland.

Joseph Billiter according to "The Early Settlers of Maryland" by Skordas shows the record of Joseph Billiter in liber 17 folio 74 of Maryland Land Patents. It is believed that Joseph Billiter lived on Maryland's Eastern Shore on the Delmarva Peninsula. He was involved in land transactions in the Delmarva area just few years after arriving in the Maryland colony.

From "Cavaliers & Pioneers' Abstracts of Virginia Land Patents Y Grants" Capt Southy Littleton 4250 acres in Northampton Co. between Maggettey Bay and the seabord side. From the sandy point of Old Plantation Cr. mouth to "Divell's Ditch" date 10.5/1674 pg 538. Several people and acreage are listed in this entry, including 4/9/1674, 800 acres for transfer of 16 persons, including John Billeter in Patent Book #6.

Mr Lancelot Bathurst 5000 acres in new Kent County, south side of Pomunky Riv upon branches of Crump Creek. 10/21/1687 pg 598. 10/20/1682 deserted and now granted by order and transfer to 100 persons, including Joseph Billitor from patent book #7.

Col Southy Littleton 150 acres Accomack County in the forehead neck of northside of Kings Creek at Posamoke on William's Gutt or Creek and between the bounds between Virginia and Maryland. Dated 4/20/1679 pg 676. Granted 10/1/1675 and deserted then granted by order and transfer to 3 persons, including Joseph Billesor.

Being John listed, not sure if was mistake and should be Joseph or there were others in the area.

Internet info from Sheri listed Fuller as wives last name as has other sources.

The Billiter site from the internet ran by Jim Billiter has much info on the early Billiters as well as the later ones.

"The Billeters from Mannedorf and the Zweifels from Linthal" by Julius C. Billeter pub 1984 believes all Billiters were Swiss and has several statements on Billiters.

p65: The Billeters were early settlers in Mannedorf, having come originally from Bilten, canton Glarus. The name is believed to signify someone who came from Bilten. The Billeters, sometime spelled Billiter.

p67: Shortly after the Billeters established themselves in Mannedorf, one branch of the family left Mannedorf and settled in the city of Zurich.

p68: There is in the city of London a complex of buildings and streets named Billiter. Although the spelling is very similar, no connection with the family named Billeter has been established (p69: Although the origin is not known, it suggests the name Billiter might be a derivative of Bell-zeter - a bell founder.

Julius comment about the Bell-founding is important and Middle English etymology seems to confirm that "Billiter" is derived from the occupation Bell-founder or Bellyeter. William le Belyotar is mentioned somewhere in English records in 1247, as is Robert le Bellegeter in 1283, making the first mentions of the name in England older then that of the Swiss by more than a century.

WIFE - Elizabeth FULLER-2332

Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 5 by Henry C. Peden Jr and F. Edward Wright.

Joseph listed as born Mannedorf, Canton, Zurich or ENGLAND so not sure.

No record of marriage to date so not sure if in US or before. Joseph's wife was said to be Elizabeth Fuller. There is an Edward Fuller family that came over on the Mayflower and have quite a lot on that family but none married a Billiter so at a loss at this time as to who his wife belongs to.

Husband Edward BILLITER II-2326

Wife Mary COXON-2327

Notes

HUSBAND - Edward BILLITER II-2326

Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 5 by Henry C. Peden Jr and F. Edward Wright. Stated his parents were Edward Billiter I and Ann Sumerly. Stated his wife was Barbara Tomilson/ Thomlinson

Mar 2002 Internet site info by Kathy Booher says that many had assumed that Edward was married to Tomilson's sister but in fact Tomlinson was married to Edwards sister. Edward Md Mary Coxon.

Edward Bellefor was mentioned as brother in law in the will of John Tomlinson, Talbot Co.,MD written 14 Sep 1746 and proved 21 Mar 1758 (Maryland Will Book, 30:78). (this reference was listed under his son Edward but he would have been 20 so doubt was that Edward, prob. this one). It appears he was brother in law because JOHN's wife was a sister to Edward Billiter, not other way around.

Edward Billiter of Dorchester Co. and wife Mary, conveyed to Joseph Wright of Queen Annes Co. Taylor, a 10 acres part of "Billiter's Beginning" on 3 Jul 1764 (Dorchester Land Records 19 Old 283)

Edward Billiter was next of kin to Edward Coxon of Dorchester Co. and received, apparently in right of his wife, 1/3 of Coxon's property. The other 2/3 went to Coxon's sisters. Edward was the son of John and Margaret Coxon (Cocson/Coxill) and this property actually adjoined the Billiter property. Courtesy of Harvey Lineback-Billiter Forum 1/1/2002

The source document provided by another Billiter researcher has the marriage of Edward Billiter and Mary Coxon dated 1739 in Dorchester Co. MD.

WIFE - Mary COXON-2327

Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 5 by Henry C. Peden Jr and F. Edward Wright.

Stated she md Edward Billiter II. No parents were listed for her.

CHILD 1 - Edward B. BILLITER III-1991

Most of this info came from the book "Colonial Families of the Eastern Shore of Maryland, vol 5" by Henry Peden Jr & F. Edward Wright. pub 1999 pg 16 thur 18.

His parents were listed as Edward Billiter II and Barbara Tomilson/ Thomlinson.

Also found some info with much same info and more off the internet that was put on by David Gerth.

Also other info on internet by Kathy Booher stated Edward B. Billiter was md to Mary Nottingham and parents were Edward Billiter and Mary Coxon (not Tomilson). Edward and Mary had 11 children listed. Mar 2002. Also said family group courtesy of David M. Gerth. Also stated Edward Billeton was one of the witnesses to the setting of the boundary posts marking the land of David Harper, of Dorchester Co. MD on 27 Dec 1774 according to Dorchester Co. MD Land Records 24 Old 308.

Their marriage was said to have taken place abt 1755/65 but not sure where. Maybe MD? 1st child born abt 1757 and last one abt 1777. Their children from internet site by Darrell Oakford listed as: Alexander Billieter b. ca 1760 d. 1825 md Leah Bucy b. 1765 d. 1830.

Zebediah; Mary b. ca 1763 md George Brickhouse; Rachel b. ca 1768 md Daniel Grace; Joseph; Leah b. ca 1770 d. 1813 md Martin hauser b. 1767 d. 1814; Edward b. ca 1772 d.1840 md Anne.; Mary b. 1775 d. 1855; Elizabeth b. 1776 md Jeremiah Cornelius; Hester b ca 1776 md Joseph Leinbach; Caleb b. 1777 d. 1815 md Susan (?) and Elizabeth Miller.

Peter, James & John not listed as children here but was in other sources nor in estate records.

It is not known who his wife was other then Mary and no other info on her. They believe to have had at least 13 children. One source listed her as Mary Tomlinson and others just as Mary. (maybe the mixup from mother to wife??

1800- There was one Edward Billeter in Stokes Co. NC 1800 but believe to be son of this Edward.	
One Edward Belleter was mentioned as brother in law in the will of John Tomlinson, Talbot Co.,MD written 14 Sep 1746 and proved 21 Mar 1758 (Maryland Will Book, 30:78). (would have to refer to his father as this Edward would be too young). (It had been presumed Edward Billeter had md a Tomlinson since listed as brother in law, but in fact Edwards sister md a Tomlinson so in fact was still brother in law.	
One Edward Billiter of Dorchester Co and wife Mary conveyed to Joseph Wright of Queen Annes Co., Taylor, a 10 acre part of "Billiter's Beginning" on 3 Jul 1764 (Dorchester Land Records 19 Old 283).	
One Billeton was one of the witnesses to the setting of the boundary posts marking the land of David Harper, of Dorchester Co. on 27 Dec 1774 (could be him?) (Dorchester Land Records 24 Old 308)	
CHILD 2 - Joseph BILLITER-2328	
Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 5 by Henry C. Peden Jr and F. Edward Wright.	
No other info on him to date in the book.	
Some info on Jim Billiter's web site listed this Joseph under child of Edward and Mary Tomlinson born 1744 (where as I believe this Joseph was son of Edward and Barbara Tomlinson as was stated Joseph was age 20, son of Edward, now deceased which was in 1764-5.	
Between 14 Aug 1764 Y 13 Aug 1765 Joseph Billitor of Dorchester Co., aged about 20, s/o Edward Billitor, now deceased, was deposed regarding the boundary of William Richardson's land (Dorchester Land Records 20 Old 237)	
Between 14 Nov 1769 & 6 Nov 1770 Joseph Billiter of Dorchester Co, aged about 27, deposed that when he lived with his father, Edward Billiter, about 18-19 years ago at the mouth of Hog Creek, a certain John Hollon, now deceased, came to his father's to work (Dorchester Land Records, 24 Old 308).	
Although we don't have either Edward died by 1765. This Edward II d. abt 1780 and his son Edward III died abt 1795. Edward I died ca 1752 and he married Ann Sumerly but don't think he had a son Joseph b. 1744?

CHILD 1 - HOWARD MILLER (1911-1961)

Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 2 by Henry C. Folsom Jr and F. Howard Miller, Jr. Grandfather's wife was Barbara Folsom Thompson.

His parents were listed as Howard Miller II and Barbara Folsom Thompson.

Also found some info with some info and some of the interest that was put on by David Garth.

Their marriage was said to have taken place in 1927 but not more than. Maybe 1927. I'd child born in 1927 and last one in 1927.

It is not known who his wife was other than Mary and no other info on Mary. They believe to have had at least 12 children. One named listed was as Mary Folsom and others just as Mary. (Maybe the same from mother to daughter?)

1 Howard Miller, Stokes Co. NC 1920; 3 males before 1927, 1 male 1927-1930, and 3 females.

There was one Howard Miller in Stokes Co. NC 1920 but believe to be son of this Howard.

CHILD 2 - JOSEPH MILLER-1928

Info from the book "Colonial Families of the Eastern Shore of Maryland" Vol 2 by Henry C. Folsom Jr and F. Howard Miller, Jr.

No other info on him in the book.

HUSBAND - Edward B. BILLITER III-1991 (Continued) Edward Billiter and Mary Coxon (not Tomilson). Edward and Mary had 11 children listed. Mar 2002. Also said family group courtesy of David M. Gerth. Also stated Edward Billeton was one of the witnesses to the setting of the boundary posts marking the land of David Harper, of Dorchester Co. MD on 27 Dec 1774 according to Dorchester Co. MD Land Records 24 Old 308. Their marriage was said to have taken place abt 1755/65 but not sure where. Maybe MD? 1st child born abt 1757 and last one abt 1777. Their children from internet site by Darrell Oakford listed as: Alexander Billiter b. ca 1760 d. 1825 md Leah Bucy b. 1765 d. 1830. Zebediah; Mary b. ca 1763 md George Brickhouse; Rachel b. ca 1768 md Daniel Grace; Joseph; Leah b. ca 1770 d. 1813 md Martin hauser b. 1767 d. 1814; Edward b. ca 1772 d. 1840 md Anne.; Mary b. 1775 d. 1855; Elizabeth b. 1776 md Jeremiah Cornelius; Hester b ca 1776 md Joseph Leinbach; Caleb b. 1777 d. 1815 md Susan (?) and Elizabeth Miller. Peter, James & John not listed as children here but was in other sources nor in estate records. It is not known who his wife was other then Mary and no other info on her. They believe to have had at least 13 children. One source listed her as Mary Tomlinson and others just as Mary. (maybe the mixup from mother to wife??) Apparently both wrong as believe to have md Mary Nottingham. DEATH: Estate of Edward Billeter was from Stokes Co. NC, total amount of slaes were 140 pounds 10 shillings and the total amount of book debts were 95 pds, 11 shillings. March Term 1797 From his estate Alex Billeter of Segater 2 pds 10; Mary Billeter of Segater 5 pds 10; Reuben Steward and wife 3 pds 1; Zebdee Billeter of Segather 15 pds 1; Edward Billeter of Segater 9 pds 5. One Edward Belleter was mentioned as brother in law in the will of John Tomlinson, Talbot Co., MD written 14 Sep 1746 and proved 21 Mar 1758 (Maryland Will Book, 30:78). (would have to refer to his father as this Edward would be too young). (It had been presumed Edward Billeter had md a Tomlinson since listed as brother in law, but in fact Edwards sister md a Tomlinson so in fact was still brother in law. One Edward Billiter of Dorchester Co and wife Mary conveyed to Joseph Wright of Queen Annes Co., Taylor, a 10 acre part of "Billiter's Beginning" on 3 Jul 1764 (Dorchester Land Records 19 Old 283). BIRTH date only from census. Not sure this is the father but believe it is.
Believe his parents to be Edward Billiter III & wife Mary (?) but not proven to date. Have added them in PAF as Rin # until can be proven to connect.

MARRIAGE date, have not located but bef 1790. CHECK WESTMORELAND CO. PA Have reason to check NJ as well.
Deed located in Bracken Co. KY 1824 listed Sarah Seward as wife of Joseph Billiter of Fayette Co. PA selling land she inherited from her father Samuel Seward, 1/9th part so now believe she was this person and if so they may have married in NJ or NC even.

DEATH date, have not located, last known census was 1830 Fayette Co. PA and they said they had no estate, will for Joseph Billiter. Jim Billiter had his death date after 1820.

Land Record of Fayette Co. PA dated 28 Dec 1816-2 Mar 1824 between Joseph Billeter from John Fisher both of Rostraver Twp., Westmoreland Co. PA. \$260 for house and lot in town of Bellvernon??. Maybe Joseph from Fayette Co., hard to tell with the wording. Rostraver Twp is in lower west corner of Westmoreland Co. bordering Washington Twp. in Fayette Co. PA. Bell Vernon is in Washington Twp. Fayette Co. on Monongahalia River.

Land Record of Bracken Co. KY dated 19 Jan 1824 between Joseph Billiter and wife Sarah of Fayette Co. PA to George Houston of the county of Bracken, KY shows selling 1/9th part of tract of land of 92 acres in Bracken Co. KY, left to Sarah by her father Samuel Seward.

Jim Billiter stated Joseph was buried in Belle Vernon's first cemetery on Gould Hill, but his and many other graves were destroyed by developers probably in the early 1900's. He believed he lived from the 1790's into the 1820's along the Monongahela River near where Interstate 70 now crosses it in the PA town of Belle Vernon. He was also the first ferryman of the town, probably working with the help from his wife (unkown), sons and daughters, all within shouting distance of the present I-70 crossing. Joseph was a boat builder there at that time. (what his source is for this info wasn't listed).

CHILDREN: Jim also listed these children for Joseph and wife: James, Lewis, Sallie md John Springer and John d. 1833 in PA, Fannie who md John Thompson on 1824 Belle Vernon, Washington Co., PA; Joseph born between 1796-1800 who went to Brown Co. OH md Elizabeth Schaffer, Noah C. Sr. born abt 1801 (my direct line), John born abt Apr 1816 d 14 Dec 1868 (Jim's direct line). He had more on Noah and John's family but nothing on the others. CHILD 5 - Joseph BILLITER-282 (Continued)

Nov 2000 Karen Romick found some info on the internet that gave info that Joseph was married to Sarah Seward dau of Samuel Seward late of Bracken Co. KY from a deed dated 1816-1824. Also was said Joseph in a land deed in Stokes Co., NC witnessed a deed thought to be Samuel Seward. (No record of Joseph being in NC so not sure about all this.)

This land record was between Joseph Billiter and wife Sarah of Fayette Co. PA to George Houston of Bracken Co. KY. The deed said that Sarah was the heir and dau of Samuel Seward, dec. This info was sent to Jim Billiter by Dave Gerth who said he received it from someone.

There was a deed recorded in Stokes Co. NC dated 2 Feb 1795 between Samuel Seward to Nathan Charles Craft BK 2 pg 168 which listed Joseph Billiter as witness. DOES THIS MEAN OUR JOSEPH WAS IN NC IN 1795?

Some internet info Mar 2002 from a site by Jay and Kathy's Family History by Kathy Booher has a little bit different info on Joseph. She has his birth date 1770 and his death date Feb 1826 Belle Vernon, Fayette Co. PA. I believe he was still living in 1830 as census indicates. All have said they refer to him as "Joe the Boat Builder" as he built boats and was also the first ferryman of the town of Belle Vernon. It is believed they lived and he worked right where the present I-70 goes over the Monongahela River (which we drove right over in May of 2000 when June, Bob, Faye and I was coming home from trip to VA & MD)

HUSBAND - Matthew BILLITER-2017

Found some info with much same info and more off the internet that was put on by David Gerth.

Listed in will of father Jun 1825 Stokes Co. NC to come into inheritance when he becomes age of 21. Lorenzo was said to have been born after that and he wasn't listed as under age?

If born in 1798 he would have been 27, certainly of age.

Your last name:

Mark Billeter was born about 1788 (some sources say 1793) in Stokes County, North Carolina. He was the oldest child of Zebediah Billeter and Ann Seward.

He had six younger brothers and one sister, all were born in Stokes County.

Mark Billeter is mentioned twice in the marriage records of Stokes County. Both times in 1810. A Mark Billeter married Polly Owens, January 5, 1810. A Mark Billeter is also listed as being married to Nancy Shelton, February 22, 1810.

By 1816 Mark had moved to Grant County, Kentucky. His brother James stayed in North Carolina, but all his other siblings and his mother moved to Kentucky.

Mark and his first wife had at least two children. Elijah was born in 1811 and Nancy was born in 1813.

His first wife must have died, because in 1813 he married Mary Patterson in Grant Co. Kentucky. Mary had eleven children. Penthus, 1820, was born in Grant County, Kentucky. James, 1821; William, 1823; Rebecca, 1825; Elizabeth, 1827; Dormania, 1828; Joseph, 1829; Sarah Anne, 1832; Mary Allis, 1835; and Martin, 1836, were all born in Warren County, Ohio. The last child Harrison, was born in 1838.

In 1820 Mark was paying taxes in Grant Co. Kentucky, but there is no record of him there after 1821. This time Mark moved his family to Warren or Butler Co., Ohio. About five years later, his brother and sister-in-law John and Mary Billeter followed them to Ohio.

Mark had dealings in Clay Co., Indiana as early as 1824. By 1838 he and his brother John had both moved their families there. In the 1850 census, Mark and his wife, Mary Patterson are listed in this County. About 1852 the two brothers moved again, but to different places. Mark moved to Harrison County, Iowa. Brother John moved to Schuyler County, Illinois with his son Parmeneo. Parmeneo moved again to Charlton County, Missouri.

Mark died in April of 1860. His widow, Mary lived another 12 years. She died in August, 1872 and is buried in Bowman Grove Cemetery, Shelby, Iowa. Their sons Martin and Harrison served for the North in the Civil War. Only Martin made it through.

HUSBAND - Mark BILLITER-2036

Found some info with much same info and more off the internet that was put on by David Gerth.

Mark married 3 times, if sources correct: Mary Patterson, Mary Owens & Nancy Shelton. Doubt he was md to Nancy Shelton, Just Mary Owens first and Mary Patterson 2nd.

Mary Owens 1st wife md ca 1809 and have all children listed for her as said she died 1851 so if not all her children, they were divorced. First children born from 1811 thru 1829 if from 1st wife?

If Mary Patterson was 3rd mg and had children Sarah to Martha then would have md abt 1830 in OH as 1st child b. 1832 and last 1838

Said Mark died Apr 1860. In Mar 1864 Harrison Co. IA Penthus Billeter asked the court to appoint him as adm. Marion Carlton was appointed but was dec'd. Which he was and last of estate dated 13 Jun 1875 Harriosn Co. IA. Listed in estate Mary Billeter, widow, Isiah Dungan, William Billeter, Sarah Ann Dungan, James Billeter, B.P. Butts, Martin Billeter, Joseph Billeter, Elisha Husha and P. Billeter.

Moved to Grant City, KY in ca 1816 with the Billiter clan, only brother James stayed in NC.

1820 Mark and family moved to Warren or Butler city, Ohio with brother John and wife Mary Strupe (Strub) following abt 1825.

Abt 1838 Mark and John with families moved to Clay Co. IN.

Abt 1852 Mark departed for Harrison Co. IA and John and Parmeneo, Johns only son moved to Schuyler Co. IL. Parmeneo went on to Chariton Co. MO in 1870.

1810 Stokes Co.,NC one Mark Bileter pg 615: Yadkin (stamped pg 151) m- to 10-1 to 26-1 f- to 26

1820 Grant Co. Ky one Mark Billiter pg 143-44-45?

1830 Check in Ohio *Warren or Butler Co ?*

1840 Clay County, Posey Twp, IN

1850 Clay County, Dick Johnson Twp, IN Farmer pg 80: Mark Billettter 62 NC 500-, Mary 54 MD, Joseph 21 OH, Sarah Ann 18 Oh, Mary 16 OH, Martin 14 OH, Harrison 12 IN. Which Mary is this???

1860 Maybe Cass Twp, Harrison Co. IA. There is one Mary Billeter age 60 Oh with dau Martha age 22 In and Armstrong Van O'del 19 In farm hand, Elizabeth Van O'del 16 servant. Again which Mary would this be???

WIFE - Mary OWENS-2088

Found some info with much same info and more off the internet that was put on by David Gerth.

It is believed Mark md Mary Owens 5 Jan 1810 Stokes Co. NC. and by 1814 he was married to Mary Patterson in KY Even though there was a mg of one Mark Billiter also to Nancy Shelton 22 Feb 1810 in Stokes Co., from all sources his wives names were Mary Patterson?

It has been said he had 2 children by 1st marriage and 11 by 2nd marriage. It has also been said the 1st two children were born 1811 Elijah, 1816 William & 1818 Nancy. It was also stated 1st 2 children were Elijah 1811 and Nancy 1813 and all other children were from Mary Patterson.

CHILD 1 - Elijah BILLITER-2090

HUSBAND - Mark BILLITER-2036

Found some info with much same info and more off the internet that was put on by David Gerth.

Mark married 3 times, if sources correct: Mary Patterson, Mary Owens & Nancy Shelton. Doubt he was md to Nancy Shelton, Just Mary Owens first and Mary Patterson 2nd.

Mary Owens 1st wife md ca 1809 and have all children listed for her as said she died 1851 so if not all her children, they were divorced. First children born from 1811 thru 1829 if from 1st wife?

If Mary Patterson was 3rd mg and had children Sarah to Martha then would have md abt 1830 in OH as 1st child b. 1832 and last 1838

Said Mark died Apr 1860. In Mar 1864 Harrison Co. IA Penthus Billeter asked the court to appoint him as adm. Marion Carlton was appointed but was dec'd. Which he was and last of estate dated 13 Jun 1875 Harriosn Co. IA. Listed in estate Mary Billeter, widow, Isiah Dungan, William Billeter, Sarah Ann Dungan, James Billeter, B.P. Butts, Martin Billeter, Joseph Billeter, Elisha Husha and P. Billeter.

Moved to Grant City, KY in ca 1816 with the Billiter clan, only brother James stayed in NC.

1820 Mark and family moved to Warren or Butler city, Ohio with brother John and wife Mary Strupe (Strub) following abt 1825.

Abt 1838 Mark and John with families moved to Clay Co. IN.

Abt 1852 Mark departed for Harrison Co. IA and John and Parmeneo, JOHns only son moved to Schuyler Co. IL.

He was reared on a farm and remained with his parents untile he was 18 when he began work for himself by splitting rails. Whe nhe was quite young the family removed to Ohio then to Clay Co. IN, where he grew to manhood. He was married in 1840 to Miss Susanna Beauchamp, a native of Indiana and was dau of David Beauchamp, who came from England to the US. After his marriage Mr Billeter settled on a farm near Terre Haute, IN where he resided until 1856, when he emigrated to western Iowa. He first settled in Harrison Co. then removed to Nebraska, but did not remain there long on account of the Indians. In the spring of 1858 he came to Shelby Co. and bought 160 acres of land. He had several head of oxen which he had fattened and sold to pay for his land, after the payment was made he had 3 cents left, but by hard work and close attention to his business he soon had the farm under good cultivation. His father settled in Harrison Co. and remained there the balance of his days. He added to his land until he had 360 acres in a high state of cultivation.----- Mr and Mrs Billeter were parents of seven children, who still survive, Susanna died at age of 18 months. Ogden, Utah, 84403.

Mark Billeter was born about 1788 (some sources say 1793) in Stokes County, North Carolina. He was the oldest child of Zebediah Billeter and Ann Seward.

He had six younger brothers and one sister, all were born in Stokes County.

Mark Billeter is mentioned twice in the marriage records of Stokes County. Both times in 1810. A Mark Billeter married Polly Owens, January 5, 1810. A Mark Billeter is also listed as being married to Nancy Shelton, February 22, 1810.

By 1816 Mark had moved to Grant County, Kentucky. His brother James stayed in North Carolina, but all his other siblings and his mother moved to Kentucky.

Mark and his first wife had at least two children. Elijah was born in 1811 and Nancy was born in 1813.

His first wife must have died, because in 1813 he married Mary Patterson in Grant Co. Kentucky. Mary had eleven children. Penthus, 1820, was born in Grant County, Kentucky. James, 1821; William, 1823; Rebecca, 1825; Elizabeth, 1827; Dormania, 1828; Joseph, 1829; Sarah Anne, 1832; Mary Allis, 1835; and Martin, 1836, were all born in Warren County, Ohio. The last child Harrison, was born in 1838.

In 1820 Mark was paying taxes in Grant Co. Kentucky, but there is no record of him there after 1821. This time Mark moved his family to Warren or Butler Co., Ohio. About five years later, his brother and sister-in-law John and Mary Billeter followed them to Ohio.

Mark had dealings in Clay Co., Indiana as early as 1824. By 1838 he and his brother John had both moved their families there. In the 1850 census, Mark and his wife, Mary Patterson are listed in this County. About 1852 the two brothers moved again, but to different places. Mark moved to Harrison County, Iowa. Brother John moved to Schuyler county, Illinois with his son Parmeneo. Parmeneo moved again to Charlton County, Missouri.

Mark died in April of 1860. His widow, Mary lived another 12 years. She died in August, 1872 and is buried in Bowman Grove Cemetery, Shelby, Iowa. Their sons Martin and Harrison served for the North in the Civil War. Only Martin made it through.

a farm. He now owns two hundred and ten acres of land in Harrison County, which is operated by his son, Thomas.

Our subject was married in England, August 31, 1844 to Miss Mary Duxberry, and they are the parents of ten children: John, Richard, Jonas, William, Ellen, Margaret, Elizabeth, Mary, Jane and Thomas. Richard, William, Elizabeth and Mary are deceased.

Our subject's wife was born in Lancashire, June 19, 1825, and died in Magnolia Township, September 29, 1874. Mr. and Mrs. Chatburn are both members of the Latter Day Saints Church.

2692
PETER C. HENDERSON, became a pioneer of Harrison County in April, 1853, accompanying his parents to this county, and at first settled on section 24, in Jefferson Township, buying a little Mormon hut and entering land on sections 24 and 25, remaining there about one year, then removed to section 25, near where his father now lives.

7
He was born in Illinois January 3, 1843; his parents were James W., and Elizabeth M. (Peters) Henderson. Our subject is the eldest child in a family of twelve. He attended school in Illinois, also in Harrison County, and was married May 12, 1872 to Amanda Billeter, a native of Indiana and the daughter of William and Mary Ann (Wells) Billeter, she being the eldest of a family of nine children. Our subject and his wife are the parents of nine children.

Our subject remained at his parents' home until he had reached the years of his majority and then commenced working out by the month, on a farm, but

being convinced that there was a more rapid road to financial success than by this farm labor, he began buying calves and the second year he commenced farming for himself, and in 1869 bought land on section 13, of Jefferson Township, which he held three years and then exchanged the same for a part of his present place; he moved into the latter in 1874, where he has made substantial improvements providing his place with a fine growing orchard, etc.

In 1869 he went to Saunders County, Neb., and there pre-empted a piece of land, remaining there two years, traded his land to an old soldier, simply getting pay for the improvements he had put on the same.

J. W. Henderson, the father of our subject, was born in Ohio February 10, 1817, and was the son of James and Mary (White) Henderson who came to Greene County, Ill. He started for himself when he was married, March 30, 1842, his wife being Elizabeth M. Peters, by whom twelve children were born. There has never been a death under this family's roof but two daughters died away from home after growing to womanhood.

JOHN W. BROWNRIGG (deceased) was born in Morgan County, Ohio, February 26, 1825, and was married in Noble County, Ohio, June 10, 1847, to Miss Sarepta J. Marquis, the daughter of Samuel and Elizabeth (Timberlake) Marquis.

Of this marriage union nine children were born—William J., Mary E., Samuel, Leila A., Henry L., Sarah Leona, Charles E., Francis M., Eleanor, Marion, John

ther was of Scotch descent and followed farming for a livelihood. Our subject attended the district schools in the Badger State, where he obtained a good education. When fifteen years of age he entered Ripon College, where he remained until he graduated in June, 1875, after which he came West and taught one term of school in Monona County, Iowa, and from there came to Harrison County, as above related.

He was united in marriage January 27, 1882, with Clara Hedges, a native of Illinois, by whom one child, Clara, was born March 16, 1885. Mrs. Miller died February 6, 1886, and October 15, 1890, Mr. Miller was married to Clara B. Cadwell, daughter of G. B. and Clara Cadwell, of Logan, Iowa.

Mr. Miller and his wife are members of the Presbyterian Church and he belongs to Logan Lodge, No. 355, I. O. O. F. also to Boyer Valley Lodge, No. 149, A. O. U. W., at Logan.

Politically, our subject is identified with the Republican party, believing this political organization best subserves the interests of the masses.

LIVY M. HUNT, a respected citizen, and a native of Harrison County, now residing on section 36, of Douglas Township, forms the subject of the subjoined sketch. He was born at Six-Mile Grove in 1852, and remained with his parents until he was twenty-five years of age, attending school winters, and working on the farm summers. His father gave him one hundred and twenty-acres of wild land, which he improved by building a house 16x20 feet, a story and a half high, to which he has since added;

he dug a well, erected a windmill, and provided good outbuildings, and has since added sixty acres to his farm, making one hundred and eighty in all.

Our subject is a son of Jasen and Mary Hunt, natives of the Empire State, who had a family of six children, five of whom are now living—Camilla, Livy, Harriet, Orville (died at five years of age) Ellen and Charles.

Alice Billiter, daughter of William Billiter, a native of Indiana, became our subject's wife April 11, 1877. She was the second of a family of seven children, and she died childless in December, 1879. Mr. Hunt was again married, November 4, 1881, to Ida, daughter of John and Hannah Davie. The father was a native of England, and the mother of New York State. They had eight children, of whom our subject's wife was the fifth. Their names are—William, Belle, Emma, Ida, Stella, Nettie, Frank and Minnie.

Our subject and his wife are the parents of three children—Nettie A., born November 5, 1885; Jasen T., August 1, 1887; and John, December 29, 1889.

WILLIAM R. KIRKHAM, a farmer of section 5, in Douglas Township, came to Harrison County during the month of March, 1876, and stopped at Reeder's Mills for three months teaching school.

By reading this sketch it will be observed that our subject has followed the profession of a teacher for many years, his ability in this direction causing him to be engaged to teach in Mills, Pottawattamie and Harrison Counties for many

The Robertsons are descended directly from the Ancient Earls of Athol who occupied the throne of Scotland from the 11th to the 14th centuries.

John Robertson came to Perry Township in 1832 and entered government land. He was a descendant of John R. Robertson of Scotland, to whom King James II conferred the coat of arms for saving the King from a would-be assassin.

The first Robertson to come to Clay County fought in the Revolutionary War under General Green. A son, John Robertson, and John's first

wife, had six children. When the wife died, John left the baby with the mother's people and emigrated to Indiana. There he married Sara Woolen. They had twelve children. John and Sarah Woolen Robertson died six days apart of pneumonia.

John Woolen Robertson, son of John and Sarah, was born August 23, 1819 near Terre Haute. He lived southeast of Terre Haute near Cory all his life. John married Nancy Billeter (1818-1949). We meet for 3 to 4 days, and with family and friends we number between 40 to 50 people with 6 to 8 camping units. While at the Roundups we have toured Clay County the home of our ancestors starting with Cherryvale the home of the Hamiltons and the Noltes. Another year we took a C.B. car caravan to visit where Floy was reared on Eel River. This is near where the Erie Canal emptied into Eel River. Explored the old Erie Canal locks. Also where she went to school and church. Then on to Friendly Grove cemetery where the Stouts are buried. Another time we toured Staunton, Indiana where Floy and Leverett spent their early married years. Their great-grandchildren had the picture taken on a tree root in Happy Ho. . . This is at the west end of Staunton at the first sharp curve. Leverett and Floy's picture was taken in 1916 on the same tree root. Floy's remembrance of Staunton was very interesting, especially to those of us who still live in the area. Each year we write about one of our grandparents for our memory book for future generations. *Brought with Carl Lukunft*

The Family of Gilbert Hankins

Gilbert Hankins was the seventh of eleven children born to William and Mary Hankins. He was born on October 11, 1816, in Shelby County, Kentucky. William was one of the founders of the Pigeon Fork Baptist Church, near Waddy, Kentucky, and many of his kin are buried in the cemetery beside the church, which is still going strong after 160 years.

New opportunities beckoned as Indiana became a state, and in 1839 William, his wife Mary, and several of their grown children and their families migrated en masse to Hendricks County, Marion Township, near New Winchester.

Gilbert was 23 years old and still a bachelor when he found work in New Winchester as a cabinet maker and part-time blacksmith. He met and courted America Armstrong; who was eleven years younger than he was. She was the daughter of Levi Armstrong, who had also brought his family to Indiana from Kentucky. Gilbert and America were married at the home of the bride on December 24, 1846. He was 30; she was 19.

Gilbert and America became the parents of nine children; six boys and three girls. In the order of their birth, they were Benton, Joseph, Judd, Mina, Elizabeth, Laura, William (Sherman), James, and Bert.

Gilbert sold his New Winchester holdings for 250 dollars in 1875 to James Davis and moved to Carbon in Clay County. Gilbert, now 59 years old, and America, rented a house on Linden Street and began taking in boarders. Their sons went to work in the mines while the three daughters helped in the boarding house.

The boarding house operated until 1904, when America died at the age of 77. Gilbert, now 88 years old, followed his sons and daughters to Terre Haute, in Vigo County, where he lived with daughters Laura and Elizabeth until his death in 1911.

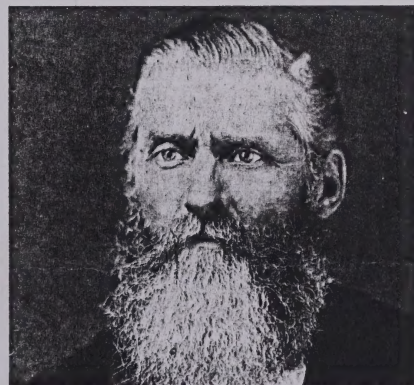

Gilbert and America are buried in Calcutta Cemetery near Carbon.

James Hankins, the fifth son of Gilbert and America, was born in New Winchester in 1868, came to Carbon as a boy of seven, and married Mary Ainsley, a hired girl, who had come to the United States from England as a child of four years in 1870. She was working in the home of Mrs. James Throop in 1892 when she married James. James and Mary moved to Fontanet. Their children included Eileen Hankins, (Miss Eileen) who taught the children of Fontanet for 43 years, retiring in 1962.

James is buried, with wife Mary, in Woodlawn Cemetery in Terre Haute. *Written and submitted by Jerry James Hankins, grandson of James Hankins*

married Miss Millie Tipton. She was of German descent and lived in Maryland. They moved to Ohio near Keene in Coshocton County — Mill Creek Township and lived in a hewed log house that was a very rough made one.

The logs were not close together and to keep out the rain and snow, they had chinked and ambed the cracks. They had six children: Mary her Susannah McAnnully, Rachel Vanhorn, William grandfather of Arlie, Tessie, Clint and Bert Willis, Sarah Warner, Henry Willis, Jr., May, 1835 (Grandfather of Mona Hochtstetter that lives at Coal City, Ind.)

When the youngest Henry Jr. was 3 years old, his mother (Millie) died. His father served as Mother and Father to the children until he remarried in 1844 to Catherine Muriel. She was kind to all the children.

On May 2, 1855 the whole family moved to Indiana. They came over in covered wagons; some walking most of the way, a distance of 300 miles.

They bought land southwest of Coal City, Ind., Clay County, Harrison Township, from William and Anna Winters.

William Willis and wife, Elizabeth owned a farm located west of Coal City, Ind. on St. Rd. 57 where it turns north on the northeast corner. He died September 19, 1875 age 48 and is buried at Willis Cemetery.

Their children were: Sherman. One son, Bert and one daughter, Henry Vincent — 1856-1932 — 1st wife Anna Pierce 1856-1883, 2nd wife Hannah Higgins. Martha Jane — married Samuel Hochtstetter. Children of Henry Vincent and 1st wife Ann Pierce, Bert Lee — 1877-1883; Arlie — July 30, 1879 died June 4, 1974, married Arthur Lowdermilk; Tessie Inez — Nov. 15, 1880 died Feb. 13, 1970 married Edgar Lasalle; Clinton — July 15, 1882 — June 10, 1909 married Agnes Berwine.

The daughter Ann Pierce Willis died when the children were small and Arlie lived with his grandmother Elizabeth until he was 15 and she died, then he went to live with his father. Tessie was raised by a family near Clay City by the name Snellenburger. Clinton was raised south of Bowling Green by the Frump family. The father, Henry Vincent went to Hardinsville, Illinois, where he married Hannah Higgins. To his union ten children were born.

George John Witt and Floy Marie Walker Witt

George J. Witt was born in Danville, Illinois on June 18, 1886. He was the son of Frederick, a well-known known tailor in Brazil, and Fredricka Chs Witt. Other children were Louise, Clara, Arthur and Agnes Witt. When very small he moved to Clay County, Brazil, Indiana and was located there. He belonged to the German

George J. Witt Family — Marie, Nancy, Phyllis, Barbara

Lutheran Church. As a young man he started working for the Pennsylvania Railroad in Brazil. In 1916 he married Floy Marie Walker, born June 24, 1893, daughter of Celinda Arnold Walker and William Walker of Brazil. Marie had a sister, Ethel Walker; a brother, Kenneth Walker; and a half brother Kimble Walker. They made their first home in Horner Flats on East Coal Street in Brazil. In 1918, George was transferred to West Terre Haute, Indiana to serve as Railroad Agent at Macksville Station.

They had three children: Nancy Jane, born September 7, 1920; Barbara Ann, born July 5, 1925; and Phyllis Dru, born November 13, 1930. The children all graduated from Valley High School in West Terre Haute and belonged to the Bethany Congregational Church.

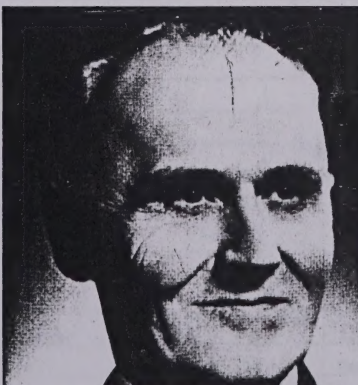

George served on the church board, school board, town board, Sugar Creek Savings and Loan director, a 32nd degree Mason and attended all civic-minded activities of the town.

Nancy married Paul Leroy Monts, April 25, 1942. Barbara married Albert Thomas Guy, October 26, 1949. Phyllis married George Earl Hunter, June 20, 1952.

George retired from the Pennsylvania Railroad due to illness in 1947. He died November 19, 1947 and is buried at Cottage Hill Cemetery in Clay County at Brazil. After the death of her husband, Marie worked at Levinson's Store in Terre Haute until she retired. She died February 27, 1981 and is also buried at Cottage Hill Cemetery.

Roy Leonard Wilson, Sr.

Roy Leonard Wilson was born 16 September 1886 in Decatur County, Kansas, the fourth of six children born to David Ely and Rachel Ellen (Barnett) Wilson, who were born, respectively, in Trumbull County, Ohio, and Putnam County, Indiana. David and Rachel were married in Clay County in 1873, and resided there until 1878, when they moved to Kansas to homestead. In 1887, David and two of the children died in a typhoid epidemic, and Rachel went back to home and family in Clay County, where she lived in Brazil until her death in 1947. Roy's grandparents on the paternal side were James Madison and Louisa (Lum) Wilson, of Trumbull County, Ohio, and on the maternal side, Isaac S. and Mary Ann (Sanders) Barnett, of Putnam and Clay Counties, Indiana.

Roy Leonard Wilson, Sr.

Roy Leonard was 18 months old when he came to Brazil, and he spent the remainder of his

life and was a member of Brazil's first football team in 1902. He loved to play football, and was good at it, as evidenced by the crowds' response when he came on the field. Something new for the team of 1904 — metal noseguards that looked somewhat like an elephant trunk — that must've been a sight! Roy got a nickname in high school — "Beanie", from the funny hats that he always wore. Roy also attended and graduated from the Brazil Business University. He had a head for figures — before there were cash registers, he could tell the cashiers in the grocery store how much his purchases came to before they had a chance to add it.

Roy married his childhood sweetheart, Inez Clover Herron, in 1914 at the Peniel Methodist Church in Clay County. She was born 18 June 1895, in Posey Township, and died 15 February 1923, on West Hendrix Road, Dick Johnson Township, from complications of childbirth. Inez's parents were James G. and Tilltha (Biggs) Herron, both of Clay County. The paternal grandparents were James and Margaret Lyon (Archerd) Herron, who came to this county from Clermont County, Ohio in 1838; while the maternal side were John Jackson and Mary Allis (Billeter) Biggs, of Vigo and Clay Counties. Roy and Inez had four children: Edna Marie, of Melrose, Florida; Roy Leonard, Jr., of Indianapolis; Harry Raymond, of Winter Park, Florida; and Orville Eugene, of Mesa, Arizona. Roy worked for the Railroad in Brazil at this time, and he was injured when Inez was expecting a child. Roy could not take his family to church, so Inez got in the car and drove, determined not to miss a Sunday. Everyone was surprised, as women did not drive much at that time, and no one realized she knew how.

Roy married again in 1931, to Mary Irene (Hall) James, born 12 June 1909, Terre Haute, daughter of Benjamin and Xenia (Wolverton) Hall. Mary had a child from a first marriage, Norma Jean, of Brazil; and three children were born to Roy and Mary: Barbara Ann, of Pekin, Illinois; Juanita Nelle, of Brazil; and Jack David, of Pekin, Illinois. Their places of residence were North Meridian and East Mechanic St. in Brazil, the latter being the Wilson Nursing Home which they operated for nine years before moving it to the former Porter Nursing Home in Knightsville. Mary died 13 October 1965 in Clay County.

Roy was a painting and decorating contractor for many years. But, before this, he worked for the Phillips Petroleum Company in Brazil, and for the Railroad. He enjoyed singing, and while a member of the Peniel Methodist Church in his early years, he was a choir leader for a time. He also enjoyed cooking. He was also a member of the First Methodist Church; Centennial Lodge No. 541; the Chapter, Council, and Commandery of Knight Templar; Scottish Rite Valley of Indianapolis; the Shrine of Terre Haute; the Eagles Lodge, and the Elks Lodge No. 762, both of Brazil. Politically, he was a Republican. Roy died 1 February 1976, in Melrose, Florida, while visiting his daughter, and is buried in the Clearview Cemetery in Clay County. *Written by his granddaughter, Marsha Wilson Bovey*

Cornelius Whallon (1827-1906) and his wife, Sarah Harr (1832-1913) came to Posey Township from Butler County, Ohio. Jonathan C. Whallon and Thomas Whallon also located in southern Posey Township. It is thought that they

CHILD 1 - James T. BILLITER-2846

There was an obit of James Billiter in the paper from Grant Co. KY, believe to be son of Samuel and Betsy Marksberry Billiter. Their son Overton had said he had an older brother James Billiter when he died.

1880 Dist. 83 Grant Co. KY p27C (CD) James T. Billiter 52 Ky, Maritta 41 Ky wife, Margaret A. Dunn 16 Ky dau.

The article in the paper also had a picture of one very old man and the story of his live was quite completed here. His story is almost unbelievable.

James Billiter

A man of Many Misfortunes and Unavoidable Accidents.

More accidents have happened to James Billiter then any man who has ever lived in Grant County. The story of his life is much more unbelievable than a dime novel. He was born in Grant County September 19th, 1827. His mother died when he was small and his father was very dissipated and the young man was thrown on his own resources when very young. He is now old and decrepit, but when he tells the story of his life and his many mishaps

CHILD 1 - James T. BILLITER-2846 (Continued)

mishaps the only wonder is that he is not dead. The story of his misadventurs begins when he was only a small boy. When thirteen years of he was thrown from a horse and his skull fractured, and for a time it was thought that he would die.

In 1842 he fell off a wagon and broke his leg.

In 1844 he was wroking on a two story house in Williamstown and fell off of the roof, and in some unaccountable manner caught by his chin on a nail and hung in that dangerous and remarkable position until his fellow workmen could get a ladder and get him down.

IN 1853 he was married to Miss Marietta Williams who still survives and together they lead a peaceable and quite life.

In 1861 he was bitten by a "maddog" but has never "gone mad", had rabies or suffered any ill effects from the wound.

In 1867, while drinking out of a branch, he swallowed a live crawfish, and it lived in his stomach for three months alive andwell, when, like Jonah's whale, "he threw it out". He was in terrible torment for a long time as the "crawfish eat away a good portion of his stomach," but he did not despair but grew another one.

In 1872 he fell head foremost from the roof of a four story building, landing on his head in the cellar on a pile of rock, and was badly hurt but recovered.

In 1884 he had smallpox and was in quartantine for several weeks.

He says he has paid out in his life more than \$10,000 in doctor's bills and for medicines. He says he thinks he out to have a pension and The Courier thinks so, andwill vote for it.

CHILD 2 - Overton P. BILLITER-2318

Found some info with much same info and more off the internet that was put on by David Gerth.

Samuel md 3 times: Betsy Marksberry, Amanda Sowards, Nancy Robinson. Don't know which is mother but believe to be Betsy Marksberry.

His obituary was located in the Grant Co. News, The Williamstown Courier Thurs May 23, 1901 page 224 which was located in the Williamstown Cemetery records book.

Was a very long obituary. It was said he died with in a mile of where he was born and lived all his life. He was one of 10 children, 5 still living and the eldest of whom is James Billiter of near Williamstown. He was md and wife died in 1879 and he had 3 children all surviving: Mrs W.S. Filson of Blanchett and Mrs Matt Burch and Simon Billiter of Williamstown. KY. (don't know which dau md which person, Lucretia or Frances). A picture was also included but was rather dark and couldn't make out to well.

Sure need to locate more siblings as don't have James or several others.

Was stated O.P. Billiter purchased a 15 x 20 ft burial lot, in the Williamstown cem in Range #4, lot # 13, at the time his wife died, 7 Feb 1879. His wife only has a tombstone, he has none, however there is an open space by her grave.

Husband	James BILLITER-2846
Wife	Marietta WILLIAMS-2847
Notes HUSBAND - James BILLITER-2846 There was an obit of James Billiter in the paper from Grant Co. KY, believe to be son of Samuel and Betsy Marksberry Billiter. Their son Overton had said he had an older brother James Billiter when he died. The article in the paper also had a picture of one very old man and the story of his live was quite completed here. His story is almost unbelievable. James Billiter A man of Many Misfortunes and Unavoidable Accidents. More accidents have happened to James Billiter then any man who has ever lived in Grant County. The story of his life is much more unbelievable than a dime novel. He was born in Grant County September 19th, 1827. His mother died when he was small and his father was very dissipated and the young man was thrown on his own resources when very young. He is now old and decrepit, but when he tells the story of his life and his many mishaps the only wonder is that he is not dead. The story of his misadventurs begins when he was only a small boy. When thirteen years old he was thrown from a horse and his skull fractured, and for a time it was thought that he would die. In 1842 he fell off a wagon and broke his leg. In 1844 he was wroking on a two story house in Williamstown and fell off of the roof, and in some unaccountable manner caught by his chin on a nail and hung in that dangerous and remarkable position until his fellow workmen could get a ladder and get him down. IN 1853 he was married to Miss Marietta Williams who still survives and together they lead a peaceable and quite life. In 1861 he was bitten by a "maddog" but has never "gone mad", had rabies or suffered any ill effects from the wound. In 1867, while drinking out of a branch, he swallowed a live crawfish, and it lived in his stomach for three months alive andwell, when, like Jonah's whale, "he threw it out". He was in terrible torment for a long time as the "crawfish eat away a good portion of his stomach," but he did not despair but grew another one. In 1872 he fell head formost from the roof of a four story building, landing on his head in the cellar on a pile of rock, and was badly hurt but recovered. In 1884 he had smallpox and was in quartantine for several weeks. He says he has paid out in his life more than \$10,000 in doctor's bills and for medicines. He says he thinks he out to have a pension and The Courier thinks so, andwill vote for it.

HUSBAND - James WILLIAMS - 2845

There was an entry of James WILLIAMS in the probate from Grant Co. KY, below to be son of James and Betty Monahan. There was another entry of James WILLIAMS when he died.

The entry in the probate also had a picture of one very old man and the story of his life was quite complete here. His story is almost unbelievable.

James WILLIAMS

A man of many adventures and interesting incidents.

There was an entry of James WILLIAMS in the probate from Grant Co. KY, below to be son of James and Betty Monahan. There was another entry of James WILLIAMS when he died. His life is much more unbelievable than a fiction novel. He was born in Grant County September 19th, 1813. He is now old and decrepit, but when he tells the story of his life and his many misadventures one only wonders if that he is not dead. The story of his misadventures begins when he was only a small boy. When thirteen years old he was thrown from a horse and his skull fractured, and for a time it was thought that he would die.

In 1832 he fell off a wagon and broke his leg.

In 1844 he was working on a two story house in Williamson and fell off of the roof, and in some unbelievable manner caught in his chin on a nail and hung in that dangerous and remarkable position until his father happened along and cut him down.

In 1857 he was working in the Kentucky Williams who sell horses and together they had a pocket watch and glass.

In 1861 he was killed by a "rodeo", but his never "gone mad", but rather or suffered any ill effects from the wound.

In 1867, while drinking out of a bucket, he swallowed a live crawfish, and it lived in his stomach for three months when removed, when the doctor's words "he threw it out". He was in terrible torment for a long time as the "crawfish" had made a good position of its stomach, but he did not danger but grew another one.

In 1870 he fell from the roof of a two story building, landing on his head in the corner of a pile of rock, and was badly hurt but recovered.

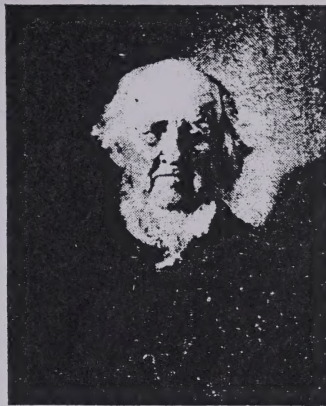

In 1881 he was married and was in good health for several years.

He died on his last day in the year 1900 at the age of 87, and for medicine. He says to think he had to have a doctor and the doctor thinks he probably was for it.

JAMES BILLITER,

A Man of Many Misfortunes and Unavoidable Accidents.

More accidents have happened to James Billiter than any man who has ever lived in Grant county. The story of his life is much more unbelievable

JAMES BILLITER.

When the Civil War broke out Mr. Blaine cast his fortunes with the Army of the Blue. He enlisted August 6th, 1861, in Company F, First Kentucky Cavalry, and was elected second lieutenant. In the battle of Perryville, in which his company bore a conspicuous part, his captain was killed, and he was immediately promoted to the captaincy of the company, and served in that capacity until Dec. 31st, 1864. He took part in many hard fought battles. His first fight was at Wild Cat Branch; was with Garfield in his eastern Kentucky campaign, was in the battle of Lebanon, Tenn; was in the advance of Buell's army in the pursuit of Bragg up to the battle of Perryville. Took part in many minor engagements, and was in the pursuit of John Morgan's command from the time he crossed from Tennessee into Kentucky until he was captured at Buffington's Island in September, 1863. Was with Burnside in his East Tennessee campaign, and in the siege of Knoxville. Was with Sherman in his campaign from its beginning to the fall of Atlanta. Was with Thomas at Nashville and in Kentucky. Mr. Blaine is at present commander of Thomas Rankin Post, G. A. R.

In politics he has been a Republican all his life, but has been elected a squire in his district, which is strongly Democratic, and has served as a member of the Fiscal Court one term, and made an excellent record.

Mr. Blaine has been married three times. March 7th, 1866, he was united in marriage to Miss Anna Dunlap, and to this union three children were born, all of whom are now living, two boys and one girl. They are: Dr. A. D. Blaine, a prominent physician of Dry Ridge; Mrs. Fannie Flege, wife of J. M. Flege, and Robert Blaine, who has but recently returned from soldiering in the Philippines. His first wife died October 1st, 1872. His second wife was Miss Jennie Dunlap, and he contracted a marriage with her November 6th, 1873, and to this union seven children have been born, four boys and three girls. They are William Blaine, John, Elizabeth, Anna, Jennie, Logan and James. Mr. Blaine's second wife died March 30th, 1890, and he contracted his third marriage with Mrs. Bertha Redman November 9th, 1893, and to this last union no children have been born.

Mr. Blaine is an active member of the Presbyterian Church, and a Master Mason of the Royal Arch Degree. He has a good farm of many acres, a good home, and is surrounded by the comforts and the conveniences of life. And above this all he is a good and worthy citizen with the good will and best wishes of all who know him.

d. 11 Nov 1909.

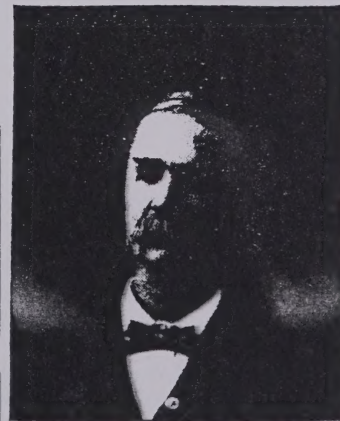

In 1872 he fell head foremost from the roof of a four-story building, landing on his head in the cellar on a pile of rock, and was badly hurt but recovered. In 1884 he had smallpox and was in quarantine for several weeks.

He says he has paid out in his life more than \$10,000 in doctors' bills and for medicines. He says he thinks he ought to have a pension, and The Courier thinks so, and will vote for it.

S. H. BIRD,

A Well Known and Successful Miller of Dry Ridge.

The Dry Ridge Roller Mills, owned by John A. Judy, would not look natural or be run properly were it not for S. H. Bird, who has for more than fifteen years with brief intermission operated and conducted the said mills. He is an expert miller, and a good fellow, and more than that, always willing to work. S. H. Bird is a son of Thomas and Elizabeth Bird, and was born in the county of Kenton, March 17th, 1847. There were ten children, seven boys and three girls, in his father's family, and all are yet living. Mr. Bird was raised on a farm but early in life learned the trade of a millwright. In 1878 he began his trade as the operator of the Knoxville Roller Mills, which he continued to operate for four years. In 1886 he came to Dry Ridge, and was in charge of the roller mills at that place for nine years. He then went to Morgan Station and ran the new roller mill at that place for three years, and then returned to Dry Ridge, and has been in charge for three years. All of the time he has

O. P. Billiter, One of the Oldest and Best Known Citizens

Of Williamstown Died at His Home Wednesday Evening of Last Week.

The people of Williamstown and vicinity were startled and grieved Wednesday evening of last week by the sad intelligence that O. P. Billiter had died at his home in south Williamstown at 9 p. m. It was known that he was in feeble health, but that the end was near no one dreamed, not even his children. He had long been a sufferer from Diabetes, but his trouble was not regarded as necessarily fatal and he was not considered in a dangerous condition, and had mingled with his friends and acquaintances until within a few days of his death, and many of his friends were not aware that he was ill. He was seized with something like a paralytic stroke on Wednesday morning, however, and he never recovered from its effects, but gradually grew weaker, and at 9 o'clock Wednesday night his spirit passed to his Maker.

O. P. Billiter was born May 16, 1832, in a mile of where he died. His entire life was spent in and around Williamstown. When a boy he learned the carpenter's trade, and many of the handsomest residences in the city are marks of his industry. There were ten children in his father's family, five of whom are still living, the eldest of whom is James Billiter, of near town. O. P. Billiter joined the Christian church in Williamstown when it was organized nearly half a century ago, and for nearly fifty years has been a working member in the church following all its teachings and precepts to the letter. He enlisted in the Confederate army at the breaking out of hostilities between the North and South in 1861, and followed the fortunes of the stars and bars for four years, being a prisoner in Camp Chase for nine months. He was one of the most ardent Democrats in Williamstown or Grant county, and

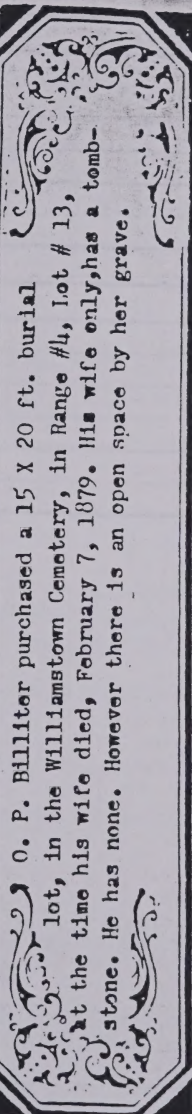

while never seeking office, always worked for the party nominees.

He was married to Miss Mollie Simons, February 6, 1864. To this union three children were born, all of whom are still living. They are Mrs. W. S. Filson, of Blanchett; Mrs. Matt Burch, and Simon Billiter, of this city. His wife died February 6, 1879, while his children were all quite small, and though not rich, he used every endeavor to give them a good education and teach them in the ways of righteousness. The lives of his children are a living example as to how well he has succeeded. At the time of his death he was the possessor of a fine farm in the Oak Ridge neighborhood and some splendid town property. While not a rich man he was in easy circumstances. He was generous to a fault and never let an opportunity go by to do good.

He was a charter member of Centurion Lodge of Oddfellows, having joined the Lodge when it was organized, February 14, 1857, from that day until he died, a period of more than forty-four years, he maintained a continuous and consistent membership, respected by all who knew him and esteemed and loved by all his brethren.

Friday afternoon funeral services were conducted at the Christian church by Rev. J. W. Maddux in the presence of a very large crowd of sorrowing friends and relatives, after which the remains were taken to the cemetery and laid to rest by his brother Oddfellows with solemn ceremonies.

O. P. Billiter purchased a 15 x 20 ft. burial lot, in the Williamstown Cemetery, in Range #4, lot # 13, at the time his wife died, February 7, 1879. His wife only, has a tombstone. He has none. However there is an open space by her grave.

Notes HUSBAND - Joseph Billiter BIRTH date only from census. Not sure this is the father but believe it is. Believe his parents to be Edward Billiter III & wife Mary (?) but not proven to date. Have added them in PAF as Rin # until can be proven to connect. Not sure if born in MD or PA? MARRIAGE date, have not located but bef 1790. CHECK WESTMORELAND CO. PA Have reason to check NJ as well. Deed located in Bracken Co. KY 1824 listed Sarah Seward as wife of Joseph Billiter of Fayette Co. married in NJ or NC even.

DEATH date, have not located, last known census was 1830 Fayette Co. PA and they said they had no estate, will for Joseph Billiter. Jim Billiter had his death date after 1820.

Land Record of Fayette Co. PA dated 28 Dec 1816-2 Mar 1824 between Joseph Billeter from John Fisher both of Rostraver Twp., Westmoreland Co. PA. \$260 for house and lot in town of Bellvernon??. Maybe Joseph from Fayette Co., hard to tell with the wording. Rostraver Twp is in lower west corner of Westmoreland Co. bordering Washington Twp. in Fayette Co. PA. Bell Vernon is in Washington Twp. Fayette Co. on Monongahalia River.

Land Record of Bracken Co. KY dated 19 Jan 1824 between Joseph Billiter and wife Sarah of Fayette Co. PA to George Houston of the county of Bracken, KY shows selling 1/9th part of tract of land of 92 acres in Bracken Co. KY, left to Sarah by her father Samuel Seward.

Jim Billiter stated Joseph was buried in Belle Vernon's first cemetery on Gould Hill, but his and many other graves were destroyed by developers probably in the early 1900's. He believed he lived from the 1790's into the 1820's along the Monongahela River near where Interstate 70 now crosses it in the PA town of Belle Vernon. He was also the first ferryman of the town, probably working with the help from his wife (unkown), sons and daughters, all within shouting distance of the present I-70 crossing. Joseph was a boat builder there at that time. (what his source is for this info wasn't listed).

of Samuel Seward late of Bracken Co. KY from a deed dated 1816-1824. Also was said Joseph in a land deed in Stokes Co., NC witnessed a deed thought to be Samuel Seward. (No record of Joseph being in NC so not sure about all this.)

This land record was between Joseph Billiter and wife Sarah of Fayette Co. PA to George Houston of Bracken Co. KY. The deed said that Sarah was the heir and dau of Samuel Seward, dec. This info was sent to Jim Billiter by Dave Gerth who said he received it from someone.

There was a deed recorded in Stokes Co. NC dated 2 Feb 1795 between Samuel Seward to Nathan Charles Craft BK 2 pg 168 which listed Joseph Billiter as witness. DOES THIS MEAN OUR JOSEPH WAS IN NC IN 1795?

Some internet info Mar 2002 from a site by Jay and Kathy's Family History by Kathy Booher has a little bit different info on Joseph. She has his birth date 1770 and his death date Feb 1826 Belle Vernon, Fayette Co. PA. I believe he was still living in 1830 as census indicates. All have said they refer to him as "Joe the Boat Builder" as he built boats and was also the first ferryman of the town of Belle Vernon. It is believed they lived and he worked right where the present I-70 goes over the Monongahela River (which we drove right over in May of 2000 when June, Bob, Faye and I was coming home from trip to VA & MD)

WIFE - Sarah Seward

BIRTH: has been listed as 1760 but believe would be closer to 1770/1774. As was married about 1790.

MARRIAGE: Prob. by 1790 as started having children by then, not sure where but maybe NJ. As her parents were in Morris Co. NJ.

DEATH: Not sure when this occurred either but was later than 1816 and prob; later than 1820 as believe she was with husband in census then in PA.

PARENTS: Was stated she was listed in deed of one Samuel Seward as being the daughter and md to Joseph Billiter of PA in 1816.

Had not located name of wife until Nov 2000 when Karen Romick found someone that had info on a land deed in Bracken Co. KY that listed Sarah as dau of Samuel Seward who died there abt 1816 and deed dated 1824. Hope to have copy of this deed shortly but Bracken Co. Historical Society said they couldn't read much of the books that early. Karen was able to find info on the Seward line back to William Seward in 1604 England, not sure this line to date.

1795 Believe they were in Stokes Co. NC as one Joseph Billiter had signed a deed as witness for Sarah's father Samuel Seward.

1810 Fayette Co. PA Female age 26/45 in household of Joseph Billeter.

1820 Fayette Co. PA one female over 45, prob. wife

CHILD 1 - Joseph Billiter

BIRTH: This maybe Joseph Jr but not sure. Jim Billiter listed birth date as 1796-1800. Donna Lester had same info. on Joseph.

MARRIAGE: Not located mg record to date. Jim Billiter via e-mail thought her name was Elizabeth Schaffer. Donna Lester said they had 8 children in 1840, only listed 3.

DEATH: Not located death date but was in last known census 1840 Brown Co. OH and a land record dated 1841 from PA said he was living in Brown Co. OH at the time.

Find A Grave internet site located Joseph Billiter 1796-1859, no pic of grave marker. , listed son Hugh Ford 1819-1893, none of the other children. Short Bio: " Joseph Billiter was reared in PA and then moved to OH. After living several years in Ohio, he moved to Indiana. He was of Dutch descent, Joseph was a large man, dark complexioned and great energy and endurance. He was a poor man when he moved to Ohio, but in later life accumulated a vast amount of property. He was a Democrat in politics, and was very much respected in the community in which he lives."
